Part B. for March 1909

SUBJECT.

Re the agency by which repairs and improvement works in the Govt Gardens are to be executed.

1. From the Chief Engineer. No. 4521 dy 10.7.08. Forwards copy of letter No. 538 dy 29.6.08 from the Supdt Govt Gardens, re certain repairs in the P.W.D. premises, observes that works connected with Orchids, Nurseries &c used to be carried out by the Supdt from the Civil Budget & enquires whether the work in question is to be undertaken by the D.P.W.

4. To the Chief Engineer. No. G. 552 dy 24.7.08. Enquires as to the authority under which the D.P.W. executes repairs only to the buildings in the Lalbagh while all works connected with orchids &c are being carried out by the Supdt Govt Gardens.

5. From the Chief Engineer. No. 5360 dy 13.8.08. States that there is no order in the Records of his office specifying the nature of works to be carried out by the P.W.D. & the Supdt respectively.

6. To the Supdt Govt Gardens. No. G. 1186 dy 21.8.08. Enquires why the proposed work should not be executed out of the funds provided in the current year's budget for 'Construction & Repairs' & out of the special provision of Rs. 10000/- for 'Improvements' to Botanical gardens.

G. R. S. 58

11-a. From the Supdt Govt Gardens. No. 318 dy 4-12-08. States that there are a number of minor repairs & petty improvements to be executed & suggests that all works in the Gardens costing Rs. 50 & less be done by the Supdt & those above that sum by the P.W.D. if the latter Dept would favourably view the proposal.

13. To the Chief Engineer. No. G. 3637 dy 18.12.08
Forwards for his remarks Copy of Sl. 11(a) above.

16 From the Chief Engineer No. 8275 dy 26:12.08
In reply to the above states that he entirely approves of the Supdt's suggestions made in Sl. 11(a)

20. To the Comptroller, Supdt Govt Gardens & Chief Engineer
No. G. 4978-80 dy 1.3.09. Approves of the arrangements proposed by the Supdt Govt Gardens in Sl. 11(a) above.

~~There do not appear~~ |

No refs are forthcoming from the records of this branch regarding the particular case in question, viz "Repairs &c to Gardens". But there are instances in which heads of certain depts & Dy Comrs have been permitted to carry out petty repairs not exceeding Rs 250 in each case departmentally from out of the grants in the Civil Budget. The coll^n relating to the powers of the D.S. of Est^s in the matter is put up (vide Ed^n 126 of 05 - sls 1 & 2) for perusal.

Flag Y.

As the chief Eng^r himself says that it is the practice hitherto has been for the Sup^t to carry out work connected with nurseries, orchid houses &c from the Civil Budget and for the P.W. Dep^t to undertake repairs to buildings in the Lal Bagh, such as the Sup^t's quarters, menagerie &c. — the ~~Sup^t's~~ way in which the Sup^t has put in his request to the Chief Eng^r seems to corroborate this statement — , he (the Chief Engineer) may be asked to cite the no & date of the G.O. authorizing the practice.

Irene executed by the D.P.W and
paid for by the same Dept
The Chief Engineer does
not allude to the question of additional
funds & presumably he thinks he can find
money for these works from the
provision for reserve & for minor works
in his Budget. So far as this part
of the proposal is concerned there
is no financial objn to it: but
Considering that works of the kind
which the P.W.D has offered to take up
were being carried out from the
funds of the Garden Budget, an
amt equal to the average actual
expenditure on such works in the
past, should be withdrawn from
the Garden Budget and the provision
for such works in the future
Budgets should also be reduced by such
amount. If this can be done
there is no objection to the proposed
arrangement. If the proposal will
involve additional annual expenditure
on the Public Gardens the ministerial
whether such expenditure appears under
Garden, or the P.W.D) it is not

LalBagh, Bangalore,

23rd. January 1909.

D3143

Dear Sir,

In returning herewith the file regards defining which works of the LalBagh should be done by the P.W.D. and the Garden agency, respectively.

I have looked over all our records and find that with one exception no works have hitherto been done by the P.W.D. which were paid for from Garden funds.

The exception was a propagating House erected two years ago at a cost of about Rs 900/- the payment of which took up more than half (Rs 600/-) of our grant, caused a neglect of roads, minor structures etc. and necessitated a reappropriation for payment of balance (Rs 300/-).

The works done by the P.W.D. hitherto in connection with Superintendent's House, Fountains, Gates, Conservatory, Menagerie, etc. have been done from P.W. funds— no doubt from the Reserve grant for minor works in this Budget.

I therefore do not see that financially there is any change involved.

The works for which this year a special allotment (Rs 15,000/-) has been made, are extraordinary and do not

affect

affect the repairs and improvement of existing large structures or ordinary works.

The proposed arrangement has for its object a clearer understanding between the P.W.D. and the Garden Department. On the one hand the P.W.D. would under this arrangement not object to items such as the Propagating House, the Orchid house simply because "these works have connection with nurseries" while on the other hand the Garden Department will not ignore minor timely repairs to the large structures on the grounds " that they are looked after by the P.W.D."

As these minor repairs are very numerous, it is , if anything, the small grant in the Garden budget that will feel the financial strain, but it is only by cooperation on the lines suggested that things can be "kept" in good order.

Yours faithfully

Superintendent.

The proposal involves an alteration of the existing procedure in regard to the execution of works in the Lal Bagh and the case will therefore be subm.d to Fin.l Secy. In the circs explained the proposal of the Garden Supt; accepted by the Chief Engineer, may be approved. As under the new arrangement, some works hitherto paid for from the Garden Budget are to be executed & paid for by the PWD, I enquired in my note dy 2.1.09 supra if it was not possible to effect any reduction in the annual grant for 'Conservation & Repair' allowed to the Lal Bagh and the Supt does not seem to think that any reduction is feasible as some minor repairs to buildings hitherto done by the DPW will hereafter be done from the funds of the Supts Garden Budget.

The proposal may be sanctioned thus on condition that it involves no addition either to the DPW or Garden Budget

Sir,

With reference to your No. G. 552/G.M. 32-08-4 dated the 24th ultimo, requesting information as to the authority under which only repairs to the buildings in the Lal Bagh at Bangalore, are carried out by the P.W.Department, and not works connected with nurseries, orchid houses, &c; I have the honor to inform you that there is no order on the subject in the records of this office specifying the nature of works to be carried out by this Department, and by the Superintendent of Lal Bagh respectively; but it has been usual for this Depart-ment to attend only xx to the ordinary repairs to the Superintendent's Quarters, Menagerie &c, on the requisition of the Superintendent, provided the outlay was small. In cases where large amounts were necessary for works in connection with the buildings in the Lal Bagh, such were carried out with the special sanction of Government in this Department as no specific provision has ever been generally made in the P.W.Budget to meet unforeseen demands of the Superintendent . It is understood that all works connected with nurseries, orchid houses, &c, have been hitherto carried out by the

Vol 1414

No 318

D. Dis. 2358

G. From

Lal Bagh, Bangalore
4th/15 December 1908.

G.M. 32-08-11 A

11

G. A. Krumbiegel, Esq.,
Superintendent,
Government Gardens.

To

K. S. Chandrasekhara Aiyar, Esq. B.A., B.L.,
Secretary to the Government of H. H.
the Maharaja of Mysore,
General and Revenue Departments.

Sir,

With reference to Government Order No. G. 1186 / G.M. 32—08—6 dated 21st August last, I have the honor to state that the sketch and estimate for the work in question was sent to the Chief Engineer inadvertently.

The case stands as follows:—

There is an old House in the Lal Bagh of which gables and side-walls exist but the roof has since years been removed having probably gone beyond repair.

A house for the proper cultivation of orchids being very necessary I decided to utilise this structure by putting a new

new roof on it, which work was to go into next year's budget.

In the meantime I wanted to Cover a portion only with Creepers for shade and directed estimates to be made for a number of the proposed permanent semi-Circular trusses so as to save expenses on temporary roofing and I intended to change this, as a matter of fact, to the amount of Rs 1000/- sanctioned by Government for improvements.

As however the Cost, even of this portion amounted to Rs 450/- and thus would have appropriated practically one half of the whole fund without even Completing one item of improvement I was forced to abandon it and directed that a requisition be sent to the Public Works Department.

Inadvertently sketch and estimate of the partial work was attached which gave rather a wrong Conception of the nature of the Complete work.

The matter as then submitted, stands therefore abandoned and must form a new proposal after the Public Works Department have made plans and estimates

estimates and I regret that this was not intimated at the time.

The Complete estimate would have at once shown the impossibility of charging this particular work to either of the two provisions quoted in your letter, and the question of what may be charged to these sums might therefore now be treated in its general aspect.

The former provision of ~~Rs~~ 1000/- for Construction and Repairs in the Lal Bagh estimates has now been augmented by a further sum of Rs 1000/- so that the former will be available solely for repair while the latter is for original improvements

Repairs: Both in Roads and Structures ordinary and timely repairs have been neglected so that now a Considerable sum is required to put them into a proper state of repairs. The larger structures have been entirely left to the Public Works Department and this also tends to small disorders being overlooked.

On the principle that "One stitch in time saves nine" I would in future prefer that it be arranged that all minor repairs to structures Costing Rs.50/- and

and less, no matter whether the Structure be large or small, should be done by the Garden Agency from the amount provided in this budget and that all structural repairs costing more than Rs 50/- be done by the Public Works Department from their budget as they do now in case of large structures.

Besides this the Road-repairs will as hitherto be done by the Garden Department from their funds.

Considering the large number of Roads and Structures the amount provided is very limited and it is likely that some funds will have to be transferred at times from the amount set aside for improvements.

Original Improvements. These Consist of minor works such as

Garden paths
Wire arches for Creepers
Pipes for drainage improvements
Railings to Nursery plots
Water Cisterns
Guard rails to Roads
Pillars, Vases and parapets
Steps and rustic bridges across Nullahs and Rock gardens.

Smaller

Smaller enclosures for Animals

Moveable Cages for animals

Propagating frames etc., etc.

It would hardly be logical having provided Rs 1000/- for the minor works to spend the whole on one or two major works. To best define the respective responsibilities for the original structural works would in my opinion be as under

Garden Department

(a) All new paths

(b) Structures, temporary or moveable

(c) Minor improvements Costing Rs 50/- and less

Public Works Department all structures of a fixed and permanent nature.

These structures are all legitimate Public Works and the Cases will be no more frequent than hitherto, while, with a more timely action by the Garden Department in the matter of minor repairs, the requisition for large repairs will rather decrease and I doubt not that the Public Works Department will fall

in

in with the proposed arrangement. (15)

I have the honor to be,

Sir,

Your most obedient Servant,

Superintendent.

No. 8275

MYSORE P. W. DEPARTMENT.

CENTRAL OFFICE,

Bangalore, 26th December 1908.

From

W. McHUTCHIN, ESQ., M.I.C.E.,

Chief Engineer of Mysore,

Bangalore.

To

The Secretary to the Government

of His Highness the Maharaja of Mysore,

General & Revenue Departments,

SIR, BANGALORE.

In reply to your letter No. G.3637/G.M.32-08-13 dated the 15th instant, forwarding for remarks copy of letter No. 318 of the 4th idem, from the Superintendent of Government Gardens, making certain suggestions with regard to the Agency by which repairs and improvements to works situated in Government Botanical Gardens might be executed, I have the honor to inform you that I entirely approve of Mr. Krumbiegel's suggestions in respect to the Agency for repairs &c.

I have the honor to be,

Sir,

Your most obedient servant,

For Chief Engineer of Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), dated 1st March 1909.

READ—

Correspondence ending with letter No. 318, dated 4th December 1908, from the Superintendent, Government Gardens, suggesting that all minor repairs to structures, etc., costing Rs. 50 and less and all original works coming under new paths, structures, temporary or movable, and minor improvements costing Rs. 50 and less, may be executed by the Gardens Department and paid for out of the provision in the budget of that Department; while all structural repairs costing more than Rs. 50 and the construction of all structures of a fixed and permanent nature may be executed by the Public Works Department and paid for out of the provision in the budget of that Department.

2. Letter No. 8275, dated 26th December 1908, from the Chief Engineer of Mysore, expressing his acceptance of the arrangement proposed by the Superintendent, Government Gardens.

No. G. 4978-80—G. M. 32-08-20, DATED BANGALORE, 1ST MARCH 1909.

ORDER THEREON.—The arrangement proposed by the Superintendent, Government Gardens, is approved as it will afford scope to the Gardens Department taking timely action in the matter of minor repairs and to minimise the number of requisitions to the Public Works Department for large repairs.

2. It should be a distinct understanding that the arrangement involves no addition to the budget of either the Public Works or the Gardens Department.

C. S. BALASUNDARAM IYER,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Superintendent, Government Gardens.
The Chief Engineer in Mysore.
The Comptroller, Mysore Government.
